Aromatherapy massage is the type of Swedish massage that uses essential oils (highly concentrated plant oils). Its main focus is relaxation and mindfulness. During an aromatherapy massage, you both inhale these essential oil molecules and absorb them through your skin as well as being great for soothing sore muscles along with any other aches and pains on your body.

Warm coconut oil Full body massage (60 mins) _____ **\$80**

Coconut oil is very essential for the skin as it penetrates the skin very easily and also leaves a layer of stable oil that prevents moisture escaping, thus protecting it from drying and cracking. It is rich in vitamin E, keeping it rejuvenated, young and healthy. The presence of powerful microbial agents like capric acid and lauric acid in coconut oil do not let microbes infect your skin, and it is full of antioxidants that will help prevent your skin from wrinkling and aging.
